## NEPA PROCESS FOR THE SURFACE WATER MANAGEMENT PLAN

Attached is the Action Description Memorandum (ADM) for the Predecisional Draft Surface Water Management Plan (SWMP) submitted to your office on October 1, 1990. The water management issues are complex and controversial. Therefore, EG&G encourages DOE, RFO to initiate the NEPA process as soon as possible.

Please review this ADM for a determination of the level of NEPA documentation required. Please contact Laura Frick at x4643 if you have any questions. Thank you.
